An outstanding evening of good food and networking took place at Toyota of Rockwall’s monthly Partners Plus Networking event on Thursday, January 25th. Our Executive Director, Annette Jenkins, presented the mission of the organization and shared new statistics and the impact that the organization has made in the community in 2017 along with exciting plans for 2018.

Toyota of Rockwall serves as an ongoing drop off location for clothing donations and has been an invaluable community partner with One Man’s Treasure.

Welcome to our One Man’s Treasure family

Shirley joined One Man’s Treasure’s Board of Directors in January and looks forward to bringing her years of business experience and volunteer service to this new position. A native of Oklahoma, she attended the University of Oklahoma and moved to Texas in 1968. Shirley’s professional career has included positions in the banking industry and 33 years as Residential and Commercial Closer and/or Office Manager for Hexter-Fair, Republic Title, Ticor Title and Capital Title. She has been a member of Leadership Dallas, Leadership Denton, Texas Land Title Association, and Women’s Council of Realtors-Dallas. She and her husband Joe, a retired CPA, have been married for 32 years and have five children and nine grandchildren. They worship at First United Methodist Church Rockwall. Since retiring last fall, Shirley has focused on expanding her volunteer service. She will use her communications skills to reach out into the community and help raise awareness of the mission of One Man’s Treasure and the impact made on the community when the clients served by One Man’s Treasure are successful in their reentry into society. We are excited to have her as part of our Board!

Lowe’s - Building Something Together

We feel very blessed to start the year with a kind gift from our new community partner, Lowe’s of Rockwall, that helped expand the warehouse space of our clothes closet! Our facility will have room to hold a larger amount of clothing donations that are received from our numerous supporters around the community. This new space enables us to have the clothes on hand needed to meet the increased number of men we anticipate serving this coming year.

Thanks to the materials provided by Lowe’s and the work of men from Prison Entrepreneurship Program that made this expansion possible, we have great hopes for this year, knowing that we can truly bring new hope to more of these men coming out of prison with nothing to wear and concern for their future.

If you have shelving, clothing racks or sorting bins that you would like to donate to One Man’s Treasure, we are currently accepting donations as we work to reorganize our clothes closet operations.

Contact us if you are interested in volunteer opportunities or would like to make a donation. You can reach Angel Thompson, our Volunteer and Clothing Coordinator, through email at angel@onemanstr.org or call her at 972-771-4141.
